  @GusBilirakis

Gus Bilirakis Has Been a Fierce Advocate for America's Veterans:

- **Continued to advance the Major Richard Star Act**, which would rectify the injustice of the concurrent receipt ban for thousands of combat-injured medically retired Veterans.
- **Advanced the VET CARE Act**, which would expand Veterans' access to VA dental services.
- **Secured more than \$15 million** in the PACT Act for a new VA Outpatient Clinic in Citrus County.
- **Eliminated the COVID-19 vaccination mandate** for military service members.
- **Modernized local VA facilities** by opening a new clinic in New Port Richey and a new bed tower at James A. Haley Veterans' Hospital.
- **Sponsored legislation, which was later signed into law**, to improve mental health treatment options and educational benefits, to modernize the VA appeals process, and to reduce Veteran homelessness and suicides.
