

Phase II **WATER SHORTAGE** **DECLARED**

February 8, 2026, through July 1, 2026

Citrus County: Once-per-week watering still in effect

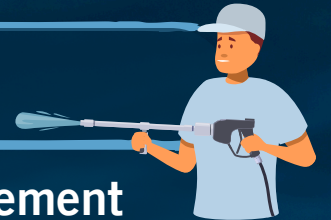

NEW RULES: Irrigation **ONLY** allowed before 8 AM or after 6 PM

Low-volume plant watering allowed any time

Annual pressure washing permitted

HOA / POA shall not require grass replacement or pressure washing for aesthetic purposes

Fountains 8 hours max

Wasteful water use is *still prohibited*.
Check for leaks & set timers properly!

REMEMBER: *During winter, lawns need water only once every 14 days.*
If it rains, wait another 14 days before irrigating!
